Sure. Tom's backpacking in Sierra's but I'm here. Anytime tomorrow?

BTW a few of us are going down for a Westlands tour on Monday. More from Catherine Karen and Roger Martella trying to improve the EPA-WWD relationship.

Karen and Tom,

Dave sent me a note asking some questions about the action plan. Mainly surrounding implementation and interaction with work in/on the BDCP.

Could we set up a phone briefing for him?

Are you authorized to talk about it? (That is suppose to be a joke, sorry...sore spot.)

let me know, he is getting questions from some members.

Roger
